

CL-Series Accessories

A Host of Field-Ready Accessories

Take your Motion CL-Series Tablet's mobile productivity to the next level with Motion's customized accessories – improving your workflow through comfort, convenience and connectivity.

Docking Station

SKU 309.050.01

Offers desktop PC functionality and connectivity with 3 USB ports and ethernet, while also charging the tablet PC. Take advantage of complete access to touch applications with streamlined access to the dual-touch display, or easily connect a keyboard, mouse and extended monitor.

Portfolio

SKU 509.400.02

Lightweight, professional-grade carrying case also acts as a tablet stand, with two viewing angles in landscape orientation. Integrated hand strap offers portability ease while adding security and stability.

Swivel Portfolio

SKU 509.400.03

Professional-grade carrying case doubles as a tablet stand, with 360 degree rotation for multiple viewing angles in both portrait and landscape orientations.

Carry Kit

SKU 508.400.04

Offers a comfortable and convenient way to carry the CL-Series Tablet PC for users without the extra weight of a full carrying case. Includes a handle, shoulder strap and attachment posts.

Micro-HDMI Adapter

SKU 609.650.01

The Micro-HDMI to VGA Adapter provides mobile professionals with the ability to connect the CL-Series Tablet PC to a projector to display information during presentations and meetings.

Silicone Slip Cover

SKU 509.400.01

This form-fitting, silicone sleeve provides shock and scratch protection while preserving the CL-Series' slim, lightweight design.

Keyboard Portfolio

SKU 509.701.01

The Keyboard Portfolio is ideal for mobile professionals offering a built-in easel, which displays the tablet at an ideal viewing angle, and a built-in Bluetooth® keyboard.

X Strap

SKU 509.400.06

The X Strap utilizes posts and screws to attach two flexible straps directly onto the back of your CL-Series Tablet PC, providing users with a secure grip on the tablet, increasing stability and freedom of movement.

Carry Sleeve

SKU 509.400.04

Lightweight, professional-grade carry sleeve convenient for transporting and protecting the CL-Series Tablet PC. Adjustable and removable shoulder strap and cross-strap provide a secure hold on the tablet.

ReadyDock®

SKU ATS-RDCL-US

The CL-Series ReadyDock® is the ideal solution for storing, charging, connecting, syncing and securing your CL-Series Tablet PCs and CL-Series SlateMate™ devices. Designed with your workflow in mind, the CL-Series ReadyDock® enables you to quickly house and charge up to five CL-Series Tablet PCs.

Protective Display Film

SKU 609.400.01

Protect your CL-Series Tablet PC from dirt and smudges while enhancing viewability with the Protective Display Film. This durable, patented 3M technology reduces fingerprints while minimizing glare. Includes 3 films and one squeegee for optimal application.
